Carla Easley has spent more than 20 years educating and empowering students in one way or another. She has significant experience with program development and management as well as with cultivating and managing relationships with various program partners. As the Director of Operations for TECH CORPS, Carla is responsible for overseeing the operations necessary to ensure that the organization achieves its objectives; this includes training and supporting the Manager-level staff to execute the daily functions of their positions. Carla also works closely with the National Executive Director to coordinate TECH CORPS' national expansion.

Before joining TECH CORPS, Carla worked as a Principal for an early education organization as well as an Adjunct Faculty member at Kaplan College. As a long-time member of the National Society of Black Engineers, Carla has served as the Community Service and Pre-College Initiative Chair of the Central Ohio NSBE Professionals Chapter. In those roles, Carla has coordinated events such as NSBE's trademark "A Walk for Education" (AWFE) and was involved in the creation of the TECH CORPS NSBE Jr. Chapter in 2006. Carla also serves as the Secretary for the Columbus STEM Industry Council (SInC) and is a member of the National Center for Women and Information Technology (NCWIT) K-12 Alliance, the Computer Science Teachers Association (CSTA) Ohio Chapter and the National Alliance for Partnerships in Equity (NAPE). In 2017, Carla was featured in "Columbus Women Leading, Innovating, Engaging in Technology" by Columbus Underground. Carla received her undergraduate and graduate degrees from Louisiana Tech University in Psychology and Industrial/Organizational Psychology, respectively.
