

## **Lisa M. Chambers, Chief Executive Officer**

**TECH CORPS**

[techcorps.org](http://techcorps.org)

Lisa M. Chambers boasts over two decades of experience in forging cross-sector strategic alliances and spearheading nationally acclaimed, award-winning Computer Science (CS) and Information Technology (IT) programs tailored for K-12 students and educators. Currently serving as the Chief Executive Officer, Lisa plays a pivotal role in overseeing TECH CORPS' impactful initiatives across diverse communities.

In her capacity as CEO, Lisa leverages her extensive experience to orchestrate TECH CORPS' reach and influence. Her strategic approach involves forging dynamic relationships and collaborations within both the private and public sectors, driving the organization's mission forward with precision and innovation. Under Lisa's leadership, TECH CORPS has experienced a period of noteworthy expansion. This growth is unmistakable in the significant increase in the number of students served, volunteers deployed, and revenue generated. Lisa's commitment to excellence and her ability to navigate complex networks have positioned TECH CORPS as a leading force in advancing technology education, making a lasting impact on both students and communities nationwide.

Lisa's contributions have earned her recognition and accolades at the local, state, and national levels. She has been honored as a "Modern-day Technology Leader" by US Black Engineer & Information Technology magazine and identified as a "Technology Rising Star" by Women of Color magazine. Her achievements extend to receiving prestigious awards such as the comSpark Tech Power Player award, the OhioX Trailblazer award, and the Technology Innovation Award in Nonprofit Service Delivery. Lisa's dedication to education is further exemplified by her appointment by the Governor to serve on the Ohio Tuition Trust Authority Board and her participation on the State Committee on Computer Science. Lisa is a founding member of the Black Computer Science Network and serves on the board of Cocoon Technologies, Inc. She is a proud alumna of The Ohio State University. Technologies, Inc. She is a proud alumna of The Ohio State University.
